

## MEDICINE INDEX

## SYMPTOM INDEX

Medicine	Symptoms
1. Aconitum napellus	Sudden fever & cough associated with cold or flu
2. Allium cepa	Runny nose - Sneezing - Watery eyes
3. Apis mellifica	Stinging edemas relieved by cold
4. Argentum nitricum	Nervous anticipation - Stage fright
5. Arnica montana	Pain from trauma - Bruises - Muscle soreness
6. Arsenicum album	Diarrhea - Food poisoning
7. Belladonna	Fever - Headache - Inflammation
8. Borax	Canker sores (mouth ulcers)
9. Bryonia alba	Arthritis pain aggravated by movement
10. Calcarea carbonica	Delayed teething & walking - Cradle cap - Eczema
11. Calcarea sulphurica	Acne - Abscesses
12. Cantharis	Burns & blisters - Cystitis - Bladder irritation
13. Carbo vegetabilis	Gas pain associated with bloated stomach - Fatigue
14. Chamomilla	Teething & irritability - Restlessness
15. Coffea cruda	Difficulty falling asleep
16. Gelsemium sempervirens	Apprehension - Headache - Body ache with flu
17. Hamamelis virginiana	Varicose veins - Hemorrhoids
18. Hepar sulphuris calcareum	Acne - Abscesses - Barking cough
19. Histaminum hydrochloricum	Allergic reactions
20. Hydrastis canadensis	Stomach ache - Constipation - Skin irritation
21. Hypericum perforatum	Nerve pain after surgery or injury
22. Ignatia amara	Sleeplessness & nervousness due to emotional upset
23. Kali bichromicum	Sinus headache with thick nasal discharge
24. Lachesis mutus	Hot flashes associated with menopause
25. Ledum palustre	Puncture wounds - Stings & bites - Black eyes
26. Lycopodium clavatum	Bloating - Indigestion - Gas
27. Mercurius solubilis	Infections - Bad breath
28. Natrum muriaticum	Headache - Sneezing - Runny nose
29. Nux vomica	Indigestion & nausea associated with overindulgence
30. Phosphorus	Asthma - Deep cough - Bleeding
31. Phytolacca decandra	Sore throat with pain swallowing
32. Pulsatilla	Ocular or nasal yellow discharge associated with a cold or pink eye
33. Rhus toxicodendron	Cold sores - Arthritis pain improved by movement
34. Ruta graveolens	Sprains & tendonitis - Strains
35. Sepia	Menstrual symptoms - Moodiness
36. Silicea	Seeping wounds - Constipation - Fatigue
37. Spongia tosta	Breathing difficulties associated with croupy cough, asthma
38. Staphysagria	Cuts & surgical wounds
39. Sulphur	Eczema & rashes
40. Symphytum officinale	Bone & eye trauma
41. Thuja occidentalis	Warts

Symptoms	Medicine
1. Abscesses with suppuration	Hepar sulphuris calcareum
2. Acne	Calcarea sulphurica, Hepar sulphuris calcareum
3. Allergic reactions	Histaminum hydrochloricum
4. Apprehension	Gelsemium sempervirens
5. Arthritis pain aggravated by movement	Bryonia alba
6. Arthritis pain improved by movement	Rhus toxicodendron
7. Asthma	Phosphorus, Spongia tosta
8. Bad breath	Mercurius solubilis
9. Bites	Ledum palustre
10. Black eyes	Ledum palustre
11. Bladder irritation	Cantharis
12. Bleeding	Phosphorus
13. Blisters	Cantharis
14. Bloating	Lycopodium clavatum
15. Body ache associated with flu	Gelsemium sempervirens
16. Bone trauma	Symphytum officinale
17. Bruises	Arnica montana
18. Burns	Cantharis
19. Canker sores (mouth ulcers)	Borax
20. Cold sores	Rhus toxicodendron
21. Constipation	Hydrastis canadensis, Silicea
22. Cough (barking cough)	Hepar sulphuris calcareum
23. Cough (breathing difficulties associated with croupy cough)	Spongia tosta
24. Cough (deep cough)	Phosphorus
25. Cough associated with cold or flu	Aconitum napellus
26. Cradle cap	Calcarea carbonica
27. Cuts & surgical wounds	Staphysagria
28. Cystitis	Cantharis
29. Diarrhea	Arsenicum album
30. Eczema	Calcarea carbonica, Sulphur
31. Eye (watery eyes)	Allium cepa
32. Eye (ocular yellow discharge associated with a cold or pink eye)	Pulsatilla
33. Eye trauma	Symphytum officinale
34. Fatigue associated with flu	Gelsemium sempervirens
35. Fatigue	Carbo vegetabilis, Silicea
36. Fever	Belladonna
37. Fever (sudden fever associated with cold or flu)	Aconitum napellus
38. Food poisoning	Arsenicum album
39. Gas	Lycopodium clavatum
40. Gas pain associated with bloated stomach	Carbo vegetabilis
41. Headache associated with increased sensitivity	Belladonna
42. Headache associated with intellectual or physical fatigue	Natrum muriaticum
43. Headache associated with nervousness & sleeplessness due to emotional upset	Ignatia amara

Symptoms	Medicine
44. Headache associated with flu	Gelsemium sempervirens
45. Hemorrhoids	Hamamelis virginiana
46. Hot flashes associated with menopause	Lachesis mutus
47. Indigestion	Lycopodium clavatum
48. Indigestion & nausea associated with overindulgence	Nux vomica
49. Infections	Mercurius solubilis
50. Inflammation	Belladonna
51. Menstrual symptoms	Sepia
52. Moodiness	Sepia
53. Muscle soreness, stiffness	Arnica montana
54. Nasal yellow discharge associated with cold	Pulsatilla
55. Nerve pain after surgery or injury	Hypericum perforatum
56. Nervous anticipation	Argentum nitricum
57. Nervousness associated with sleeplessness & headache due to emotional upset	Ignatia amara
58. Pain from muscle trauma	Arnica montana
59. Rashes	Sulphur
60. Restlessness	Chamomilla
61. Runny nose associated with sneezing & watery eyes	Allium cepa
62. Sinus headache with thick nasal discharge	Kali bichromicum
63. Skin inflammation (abscesses)	Calcarea sulphurica
64. Skin irritation	Hydrastis canadensis
65. Sleeplessness (difficulty falling asleep)	Coffea cruda
66. Sleeplessness associated with nervousness & headache due to emotional upset	Ignatia amara
67. Sneezing	Natrum muriaticum
68. Sneezing associated with runny nose & watery eyes	Allium cepa
69. Sore throat with pain swallowing	Phytolacca decandra
70. Sprains	Ruta graveolens
71. Stage fright	Argentum nitricum
72. Stinging edemas relieved by cold applications	Apis mellifica
73. Stings	Ledum palustre
74. Stomach ache associated with constipation	Hydrastis canadensis
75. Strains	Ruta graveolens
76. Styes	Pulsatilla
77. Teething & irritability	Chamomilla
78. Tendonitis	Ruta graveolens
79. Varicose veins	Hamamelis virginiana
80. Warts	Thuja occidentalis
81. Wounds (cuts & surgical wounds)	Staphysagria
82. Wounds (puncture wounds)	Ledum palustre
83. Wounds (seeping wounds)	Silicea
